Flip over the magazine to see our extensive menu or take a look at pages 2 & 3 to see some of the savings you can make with our fantastic meal deals. We have listened to your requests and have added a new healthy options range, pre-order facility, vegetarian sandwiches and specialty products such as a non-alcoholic Heineken beer & vegan lasagne for you this summer. Kids meal deals, see page 16.

For those with any special dietary requirements we have guidelines on our menu page, please see packaging for all nutritional information.

Our crew love onboard shopping as much as our passengers do. This page is dedicated to their favourite items – we call them our star products. Needless to say, they highly recommend each one of them.

VERSACE
My favourite fragrance brand has to be Versace. I have previously purchased Versace Eros but Versace Eros Flame is a complete different fragrance. I adore the combination of lemon, rose and pepper. It was designed to make you feel good and is fantastic value at an onboard price of € 52.00.

VERSACE
My favourite fragrance brand has to be Versace. I’m in love with Versace Yellow Diamond Intense, at an amazing price of € 35.20. You will not find this at a cheaper price ANYWHERE! It’s also a very versatile fragrance that you can use in all seasons. I would call it an evergreen perfume!

CAROLINA HERRERA
My favourite product has to be Good Girl by Carolina Herrera. It’s a fantastic fresh fragrance and it’s eau de parfum so it stays on the skin for a long period of time. The best thing about purchasing this fragrance onboard is that you are availing of a huge discount vs the high-street at a special price of € 57.60.

CAROLINA HERRERA
I’m in love with Versace Yellow Diamond Intense, at an amazing price of € 35.20. You will not find this at a cheaper price ANYWHERE! It’s also a very versatile fragrance that you can use in all seasons. I would call it an evergreen perfume!

MICHAEL KORS
My star product is Michael Kors Sexy Ruby. The fragrance is made for beautiful, classy and independent women who believe in themselves. I fell in love with it as I bought it as a gift for my sister. This sells, at an amazing price of just € 44.00 which is a 51% saving on the high street and is perfectly in carry-on luggage at 100ml. It’s also 61% saving vs the high street.

AMERICAN CREW SET
My star product is the new American Crew Mens Grooming Set. Price wise at € 20.00 it is amazing value – a total bargain. The product works great on all men no matter the hair types, and the shave cream leaves a decent moisturising coat on the skin, no shaving rash. Happy Days! Less is more with this product, so it lasts a very long time!

CLINIQUE
As I always say, my favourite product is the Clinique Moisture Surge Set. I use this product everyday. It is essential for me because my skin is very dry and I put it on before my makeup daily before I go to work. If I don’t use it my makeup disappears very fast. This spray is a handbag hero I spray this when I feel my skin getting dry again.

URBAN DECAY
I really adore the eyeshadow palettes from Urban Decay. These products have super bright pigment which I love. For me, these products have become essentials as part of my work and everyday makeup!

LILY + STONE
My favourite product has to be the Lily + Stone rose gold watch. It’s very classy and completes any outfit. It even looks great with my uniform. It’s fantastic that it has an adjustable strap so I can fit it on any wrist size. It really does not break the bank at a € 35.00 price point. It’s also a total bargain.

1. Sleeping Beauty
Liquid Gold works during your skin’s natural regeneration process while you sleep – so skip your night cream on the nights that you use it.

2. Skin Deep
Try applying Liquid Gold before a face mask – the fruit acids exfoliate dead skin cells and excess oil from the pores, helping the mask draw out even more impurities.

3. So handy
Don’t neglect your hands in the fight against ageing. Wipe Liquid Gold over the back of them to work its magic over night.

4. Tan Tip
Try using Liquid Gold before self-tanning. Reducing dead cell build-up provides a better canvas. It also erases post-tanning faux pas such as stained hands, knees or ankles.

TRANSFORM YOUR SKIN WHILE YOU SLEEP
INSTANTLY EXFOLIATES – FIRMS – BRIGHTENS

ACHIEVE THE NO MAKEUP LOOK WITH POWERFUL SKINCARE.

The original cult favourite foundation instantly diffuses imperfections and helps correct skin undertones while minimising the appearance of fine lines and pores. No Makeup Foundation’s unique texture imparts a dewy, glowing finish. Suits most fair to medium skin tones.

“In-flight Beauty Essential. The product you need to keep your skin hydrated and looking luminous before stepping off the plane.”
