WARMEST WELCOME!

Dear customer, Season's Greetings!

We have prepared this winter catalogue with some of the best offers around which we know you and your loved ones will enjoy.

How fantastic would it be to get all your gifts organised in one place this hectic holiday season. Here at Ryanair we're celebrating our biggest and best year ever by offering you an additional 10% off all our fragrances (Excluding our value deal pages which are even greater value for money, check out pages 8-9). It's our mission to bring you the best savings on-board, all our fragrance and beauty lines are up to 60% cheaper than the high street. This year we have created a coloured fragrance guide for you, this will help you quickly find the scent you're looking for. Make sure you have a look at our global cosmetic and skincare brands that are there to give you that catwalk ready look from the comfort of your seat. For all you jet setters looking for a winter adventure check out some of our fun and action hero products listed on pages 36-37. In addition our product expert – assistant buyer Darren has put his seal of approval on all the must have products for you this winter 2018 – check out the 'Star Product' stamp located throughout the catalogue.

Stock is in high demand but very limited on board our flights - so make sure you get your order in early to avoid disappointment. There is a call bell above your seat, so please don't be shy about using it and we will be happy to help you however we can.

Feeling ravenous?

At Rvanair we begin most flights with our crew taking your hot meal orders first as they are cooked fresh to order. Our range is filled with mouth-watering treats including sandwiches, tasty snacks and refreshing drinks. Flip over the magazine to see our extensive menu or take a look at page 2-3 to see some of the savings you can make with our fantastic meal deals. We have listened to your requests and have added a new healthy options range, pre-order facility, vegetarian sandwiches and speciality products such as a non-alcoholic Heineken beer for you this winter.

For those early morning risers, why not try our breakfast deals, see page 6 for our range. This is our fifth winter stocking the 'Best Cup of Coffee in the Air' that our coffee-loving customers are still raving about. Why not treat the little ones with our selection of kids deals, see page 15-16. For those with any special dietary requirements we have guidelines on our menu page, please see packaging for all nutritional information.

Feeling Lucky?

Well, are you? If so, have a go at our 'Fly to Win' game! Not only will you be helping our chosen children's charities, but you could win yourself an instant cash prize or a shiny new car - there's a car to be won each month - or you could even hit the jackpot and 'Win A Million' in our annual draw. To see details of previous winner and our chosen charities, turn to pages 4-5.

Competition time

We get great enjoyment out of knowing how our valued customers are enjoying their flight. Let us know what you think of your 'goodies' and you could win a €100 flight voucher! If that sounds good simply post your #RyanairInflight snaps to @ryanair on Twitter and show us your inflight purchases. We will announce a winner each week on Twitter from (November 2018 - March 2019).

Terms and conditions apply, please see our website for more details.

The Bars Open.

It is a pleasure to welcome you on board today, and we hope you enjoy your Ryanair flight. Our cabin crew are here to do everything they can to make your flight as comfortable and enjoyable as possible.

Wishing you and your family a beautiful fun filled holiday season.

TRANSFORM YOUR SKIN WHILE YOU SLEEP

INSTANTLY EXFOLIATES - FIRMS - BRIGHTENS

1. Sleeping Beauty

Liquid Gold works during your skin's natural regeneration process while you sleep - so skip your night cream on the nights that you use it.

Try applying Liquid Gold before a face mask – the fruit acids exfoliate dead skin cells and excess oil from the pores, helping the mask draw out even more inpurities.

Don't neglect your hands in the fight against ageing. Wipe Liquid Gold over the back of them to work its magic over night.

4. Tan Tip

Try using Liquid Gold before self-tanning. Reducing dead cell build-up provides a better canvas. It also erases post-tanning faux pas such as stained hands,
